DR MATTHEW COPSEY

It is with great sadness that we share the news of Dr Copsey leaving The New Folly Surgery as he was a competent, respected, valued and very well liked member of our Team. Dr Copsey has served the community of Ingatestone and surrounding areas for almost 28 years as a General Practitioner and Partner.

Dr Copsey felt this was the right time to leave full-time general practice and pursue other avenues.

Patients who were registered with him will be offered the services of Dr Emond, Dr Bailoor and Dr Chatterjee for the interim period until a replacement is recruited. However, should you already have a preference of GP, please put your request in writing to our Practice Manager, Daryl Laws.

Everybody at The New Folly Surgery have wished Dr Copsey lots of happiness for the future, whatever it holds. He will be surely missed.

Thank you.
