

# X-ray Bookings Online

From 27<sup>th</sup> January 2025, you can now book your routine X-ray online!

If your clinician refers you for a [routine X-ray](#), Basildon Hospital will be in touch within two working days.

Depending on the type of examination, we may send you a text message, inviting you to make an appointment using our booking portal called [Swiftqueue](#).

Please follow the instructions to login / register an account. You will then be able to book an appointment which is most convenient for you, without the need of contacting the hospital directly.

If you have not heard from the hospital after two working days, please contact the Hospital's Radiology Appointments team directly - contact details can be found on the Mid and South Essex Hospitals' website.

If you have been referred for a "[walk-in Chest X-ray](#)", you may still receive an invitation to book online. It is up to you whether you book an allotted time via Swiftqueue, or simply attend when you are ready.
