

THE NEW FOLLY SURGERY

NEWSLETTER

Historically The New Folly Surgery have provided an Extended Hours service on Saturday morning for our patients. However, in light of the recent Coronavirus pandemic and to support all staff we have made a decision to offer the Extended Hours service on **Monday and Wednesday evening between 6.30pm-7.30pm**, supported by two Doctors each evening.

All appointments will be a telephone consultation/video conference and are pre-bookable. A Doctor will telephone anytime up until 7.30pm, therefore, please be available on your preferred contact number, either landline or mobile.

Once the pandemic is over this new service will be reviewed and relevant changes made accordingly.

All the Partners would like to take this opportunity to thank our patients for their understanding and support during these extremely challenging and unprecedented times.
